

MANAVA BHARATI INTERNATIONAL SCHOOL

SESSION 2019 -20

CIRCULAR

MBIS/Patna/PC/04/19-20

18 April,2019

Dear Parents

Your ward is required to report to school on **20 April, 2019 (Saturday)** for their **online exam of AIM2EXCEL**. The objective of the exam is to assist in holistic development of students by fostering 21st Century Skills and effective Career Guidance. **Buses will ply as per present school timing. Dispersal from school will be at 2.00 p.m.**

The psychometric assessment assesses a child on 23 dimensions spread over 6 areas i.e. Cognitive Intelligence, Social Intelligence, Emotional Intelligence, Interest, Personality & Motivation. Using Artificial Intelligence (AI), the personalized **AIM Report** maps the holistic profile of the student with a gold standard of careers, thus recommending top 3 Careers, Streams and Leisure, based on the student's unique talents, strengths and weaknesses.

EXCEL mentoring sessions by a counsellor from Delhi will be conducted post Summer Vacation to focus on career guidance with enhancing strengths and supporting weaknesses, thus helping the students to be future ready.
